The Illinois Pork PAC will support state elected officials, who, by their actions, have been supportive of Illinois Pork Producers Association policies. Candidates could receive campaign support upon the Illinois Pork PAC Board's approval. Your contributions are voluntary; you may decide not to contribute, or you may contribute more or less than the suggested dollar amount. There is no penalty if you decide not to contribute. Donations to the Illinois Pork PAC are not tax deductible.

A copy of our report filed with the State Board of Elections is (or will be) available on the Board's official website (www.elections.state.il.us) or for purchase from the State Board of Elections, Springfield, Illinois.

SIP Contribution

By selecting to contribute to the Strategic Investment Program and filling out the form, you agree that the markets listed on the other side of this form will deduct an amount ("Contribution") currently \$0.10 per \$100 in value, from any sales of swine to them. The contribution will be determined by the National Pork Producers Council (NPPC) Delegate Body. You will be notified in writing by NPPC of any changes to the Contribution at least 45 days prior to the change taking effect. The Markets will transfer the Contribution to the Illinois Pork Producers Association (based on the origin of the swine). You understand the Contribution will be used by NPPC and the IPPA to fund their public policy advocacy and regulatory affairs programs for the pork industry.

1. Over-withheld amounts. I will be able to recover any amounts that are over-withheld in error. However, I agree to hold harmless the Participating Markets, NPPC, and the Member State Association from any consequential or incidental damages.

2. Packers and Stockyards Act. I agree to waive the statutory trust and prompt payment provisions of the Packers and Stockyards Act (7 U.S.C. § 228b) as to the Contribution only. I understand the remaining portion of the purchase price (after deduction of the Contribution) will remain subject to the statutory trust and "prompt payment" provisions of the Packers and stockyards act (7 U.S.C. § 228b).

3. Revocation. I may revoke my participation in the Strategic Investment Program at any time by giving written notice to NPPC or the Participating Markets. Notice shall be given to NPPC as follows:

National Pork Producers Council
c/o Strategic Investment Program
P.O. Box 10383
Des Moines, IA 50306-9960

Such revocation will become effective when it has been processed by NPPC. Processing will take no more than 30 days after NPPC receives the written notice.

4. Confidentiality. Information relating to the Strategic Investment Program will be kept confidential and will be shared between NPPC and the Participating Markets for validation purposes only.

5. Correspondence. Complete and return this form to the Illinois Pork Producers Association
