PARTNERING TO FIGHT HUNGER IN ILLINOIS

The Pork Power program continues to help feed hungry people throughout Illinois and demonstrates pork producers commitment of caring for their communities. Thanks to the donation of many pork producers and support of various partners, Pork Power has provided more than **625,000 pounds** of pork amounting to more than **2.4 million servings** of donated pork to hungry Illinois residents since the program began in 2008.

The Pork Power Mission

To provide access to pork (vital meat protein) to our neighbors throughout Illinois.
